- Going from data to actions and assessment of actions

Homework

- Complete already collected data and fill in **EMPOWERING data collection template and BEI calculation tool**, play with the tool and send it to WP5 leader @ empowering.H2020@cres.gr (**Deadline 30th September 2018**).
- Start to discuss with your colleagues and stakeholders on what measures are applicable for your municipality and send to WP4 leader, anna.sager@ri.se and Kerstin.rubenson@ri.se (**Deadline 30th September 2018**).

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement N° 695944

EMPOWERING LEARNING PLATFORM

Learning platform

- Collection of all learning material and best practices created within Empowering project
- Complemented with external material of interest
- Possible to add material in one of the 6 Empowering national languages.
 - This is done by the regional partners

The platform:

LEARNING PLATFORM

[Start](#) ▾ [Empowering](#) [Covenant of Mayors](#) [Material in other languages](#) ▾ 🔍

Get started with Covenant of Mayors and the Sustainable energy and climate action plan

Collect, analyse and register data for your SECAP

How to select actions for your SECAP

Raising awareness in the municipality on sustainability

Ideas on financing of actions to meet the SECAP goals

Inspiration and good examples of actions for your SECAP

Subcategories of the thematic sites

Collect, analyse and register data for your SECAP

- Education >
- Webinars >
- Test of own knowledge >
- Presentations >
- Good practises >
- Material and links >

The platform

Future features

- Short movies on best practices
- Extended collection of material from external sources
- Web educations on thematic areas
- Design your own education (?)
